

Elegance in Every Glow

COMPANY
PROFILE

MAARIF LIGHTING: LEADING UAE LIGHTING SOLUTIONS

Maarif Lighting, a division of Maarif Trading, The company is one of the leading solution providers in the lighting industry in United Arab Emirates. Renowned for innovative and intelligent lighting solutions, our brands offer a vast selection of high quality classic and contemporary lighting fixtures, both commercial and architectural, complemented by a comprehensive stock of lamps to suit every possible need

EMPOWERING VISIONARIES WITH BEST-IN-CLASS LIGHTING

Our mission is to become the partner of choice and the market leader delivering best-in-class lighting solutions not only by providing the tools, but also the necessary solution to any lighting concept and thereby transform the vision of architects and designers into reality by catering quality and state of the art designs.

INTEGRITY

We act with honesty and work hard to be trustworthy

TRUST

We do believe that the trust is the foundation of everything we do

TEAM WORK

We are very much committed to working together

DIVERSITY

It is an integral part of who we are and what we do.

MAARIF LIGHTING: INNO- VATION DRIVEN BY GLOBAL EXCELLENCE

We, at Maarif Lighting, are passionate about promoting the latest lighting technologies and practices in lighting industry. We supply professional lighting fixtures to commercial, industrial and residential sectors. We carefully choose our partners so that we can deliver top-notch material to our customers. We focus on leading European and Western brands that enable us to monitor upcoming trends in the lighting industry and satisfy even the most sophisticated and specialized requirements.

ASSOCIATED BRANDS

EXPERTISE

As consumer expectations evolve, so should the environment and experiences we offer them. That's why, Maarif Lighting strive to lead the way of transitioning to all-digital lighting solutions to maximize performance, create better visual environments and increase energy savings.

With a strong network of manufacturers, we stand to be one of the most qualified lighting specialists and solution providers in UAE, GCC countries and North-Africa. Our experts cover design and technical aspects of any project, providing the best quality and after-service care.

QUALITY

Maarif Lighting offers high quality product ranges that leave no desire unfulfilled. While continuously adjusting to the changing market, Maarif Lighting ensures that quality and ethical standards dominate in our company and more importantly with our customers.

APPLICATION

Maarif Lighting is committed to develop the most energy efficient lighting solution possible, and bring it to all clients in a way that enables them to enhance their living and working environment. The company provides one of the largest selection of lighting fixtures ranging from fluorescent lighting, ceiling lights, garden lights,

LED light fitting, crystal chandeliers, indoor and outdoor light fitting, street lights, flood lights, emergency lights, etc. With endless innovation and creative lighting solutions, we are able to meet our client's requirements while complying with all safety regulations and standards for each specific region.
